Hello Friends,

I hope that this letter finds you well.

If you`re like me, it is a challenge to begin the Lenten Season. I aim to experience a deeper awareness of all that God is. To this end, I have often heard of people "giving up" something for Lent. That`s a good practice for sure.

But, another very good practice is "adding" something during these 40 days.

I want to invite to our Lenten Speaker Series. This year our theme is "IN HIS IMAGE" (Genesis 1:27). Starting February 24th and continuing for the next four Saturdays during Lent, we hope to help all our participants to come to a deeper understanding of what "In HIS Image" can mean!

Details about "In His Image" are on the next page.

So, I encourage you to "add" this program to your Lenten Journey. Even if you can`t make all four meetings, I`m sure that you`ll find that even just one of them will be worthwhile.

I also ask that you INVITE OTHERS. These talks will also be beneficial if you wish to attend with sons or any teens.

May the peace of the Lord be with you,

Angelo Marchica
