

ST. ANTHONY'S PARISH OUTREACH

Winter 2018

During what has been a harsh winter thus far, we thank you for helping us keep our Food Pantry well-stocked so that we can continue to help members of the local community who need assistance feeding their families. When you are shopping for groceries in the weeks ahead please consider buying an extra item or two to donate.

YOUR GENEROSITY IS VERY GREATLY APPRECIATED.

May God bless you and your family.
