

ST. ANTHONY RELIGIOUS EDUCATION OFFICE  
VOLUNTEER OPPORTUNITY

## Help us distribute Christmas Poinsettias to Homebound Parishioners.

St. Anthony's would like to bring Christmas greetings this year to parishioners who are homebound by purchasing and delivering poinsettias during the holiday season. This thoughtful gesture will, undoubtedly, bring them joy at this holiday time and will afford them the welcome pleasure of communicating with young families.

Poinsettias plants will be available through the Religious Education Office. Each plant will cost **approximately \$8.00**. For each plant that your family purchases and delivers, your child will receive **2 service hours**. In order to include as many families as possible, each child will be allowed a maximum of 2 plants which earns 4 service hours.
