Earn Service Hours by Helping with
St. Anthony's Fathers Club
Parish Christmas Decorating
Saturday, December 8
10:00 am

St. Anthony's Fathers Club has asked for our help in decorating the Church, Chapel and Parish Grounds to be ready for our Annual Tree Lighting Ceremony on December 15 and throughout the Christmas Season.

There are several tasks:

- * Setting up the Nativity Scene in front of the church
- * Hanging 26 wreaths in the chapel and church
- * Stringing lights on the gazebo and arbor vitae
- ** Stringing lights on light posts and trees at the chapel entrance

If you would like to participate, show up this Saturday, December 8th at 10:00 am.

There will be a sign in sheet for our students to record the number of hours they help. Please have your child bring their **Service Log Sheet** (last page in their Workbook) with them so they can record their hours and have someone from the Fathers Club sign the sheet for them.

NOTE: A PARENT MUST ACCOMPANY THEIR CHILD AT ALL TIMES.

This is really a great family event to take part in!
